MEMORANDUM FOR: Acting Executive Officer
Office of Data Processing, DDA

FROM: [REDACTED]
Assistant General Counsel
Logistics & Procurement Law Div., OGC

SUBJECT: Agreement between Amdahl Corporation and
the Central Intelligence Agency

1. This Office has reviewed the attached non-disclosure agreement. We offer the following comments. This particular agreement is substantially different from Amdahl's non-disclosure agreement provided to the Agency as recently as April 1979. It is more comprehensive and restrictive than the earlier one.

2. In regards to paragraph 2, we suggest that the following provision be added so that the language would read:

User shall at all times hold and maintain said Proprietary Information in confidence and shall not disclose such Proprietary Information unless required to do so in compliance with Federal law.

This is due to the requirements of the Freedom of Information Act (FOIA). While we believe it would be only a remote possibility that a court would require the Agency to disclose Amdahl's information, FOIA does require the Federal agency involved to prove that the requested information is, in fact, proprietary. If the court disagreed, we could be required to make disclosure under that circumstance. Hence, the additional language is needed.

3. Our other comment pertains to the requirement of paragraph 9. The CIA does not agree to be bound by other than Federal law. The proposed agreement to be bound by the laws of California is not acceptable.

4. Should you have any question, please feel free to contact this Office at 8-8118.
